

॥śrī-jayendra-sarasvatī-śrīcaraṇa-laghu-pūjā-paddhatiḥ॥

Need to use a proper script for Samskritam

Even though Bhagavan understands all languages, the power of our Bharatiya languages cannot be matched in expressing our cultural values especially when rising to the plane of conversing with Bhagavan. Of them, the Samskrita bhasha is special in that it is pan-Bharatiya. Hence **our scriptures, anushtana paddhati-s and a lot of bhakti sahitya texts are in Samskrita only.**

We know that in Samskritam, especially for **anushtanam**, **sound/pronunciation** is important. Therefore one should **write and read sankalpa shloka-s** etc for anushtanam in an appropriate script which is capable of distinguishing all the sounds of Samskritam.

Now the Latin (English) script was evolved for other languages, and we all know the difficulty of correlating spelling and pronunciation even in English. Further, **more letters are required to write Samskritam** than English as there are more sounds in it. However, since Latin script is widely known, scholars felt it useful to create a **Latin-based transliteration system for Samskritam.**

In such a system, Latin letters which may be casually applied to different sounds need to be **differentiated**. For instance in Rama the first or second “a” may denote a long sound. This is differentiated as Rāma or Ramā. Similarly, other marks called diacritics are used to differentiate sounds as in āā īī ūū ṛṛ ṝ ṝ̄ ṁṁ ḥḥ ṇṇ ṇ̄ ṭṭ ḍḍ ṣṣ. Aspirated (mahāprāna) sounds are denoted with an additional h as in k/kh, g/gh, c/ch, j/jh, ṭ/ṭh, ḍ/ḍh, t/th, d/dh, p/ph, b/bh.

However, a system is useful only if followed correctly. **If diacritics or added h-s are ignored and we do not read with the intended pronunciation, then the transliteration is no longer useful for its intended purpose.** It is very easy to ignore diacritics as they are not in daily use. It would then have altogether been better to use a script which actually has different symbols for the sounds.

Therefore **it is strongly recommended to learn a Bharatiya script** like Devanagari, Grantha, Telugu, Kannada etc **which has clearly different letters to denote the various sounds.** Our documents are published in many such scripts.

However, with a view to help people who are not able to immediately learn such scripts, we are now publishing documents in Latin transliteration as well as per the system called International Alphabet of Sanskrit Transliteration (IAST). For the above reasons, people should use these as a temporary measure till they learn a Bharatiya script.

The Samskrita varnamala in IAST is given below with Devanagari equivalents:

a अ, ā आ, i इ, ī ई, u उ, ū ऊ, ṛ ॠ, ṝ ॡ, ḷ ॴ, ḹ ॵ

e ए, ai ऐ, o ओ, au औ, am अं, ah अः

ka क, kha ख, ga ग, gha घ, ṇa ङ

ca च, cha छ, ja ज, jha झ, ṇa ञ

ṭa ट, ṭha ठ, ḍa ड, ḍha ढ, ṇa ण

ta त, tha थ, da द, dha ध, na न

pa प, pha फ, ba ब, bha भ, ma म

ya य, ra र, la ल, va व, śa श, ṣa ष, sa स, ha ह

||vighrahavān dharmah||

In our Shrimatham at Rameshvaram, the following verse has been inscribed in stone by our Jagadguru Shri Chandrashekharendra Sarasvati Shankaracharya Swami:

eṣa seturvidharaṇo lokāsambhedahetave|
kodaṇḍena ca daṇḍena rāmeṇa guruṇā kṛtaḥ||

The verse is based on a sentence in the Brihadaranyaka and Chandogya Upanishads. Its import is:

To reaffirm Dharma and prevent the world from instability, Shri Rama holding the Kodanda created this Setu which restrains even the sea. This is a veda-dharma-śāstra-paripālana-sabhā

physical representation of Dharma and shows that even such difficult feats are possible by standing in Dharma.

With the same goal, the Guru Shri Shankara Bhagavatpada, holding a Danda, created the Acharya Peetam. This is like a Setu holding against the sea of the changing world circumstances by standing in and teaching people Dharma.

As an exemplary illustration – the Rama Mandira at Ayodhya, expected by crores of Sanatana Vaidika Hindu Dharma Abhimani-s, had prana pratishtha successfully done and is now being further developed. Our Guru Shri Jayendra Sarasvati Shricharana had tirelessly worked for the same.

Let us meditate on and worship him remembering such multiple dharma karya-s that He performed.

Other Bharat-wide dharmic acts of the Acharya

As per the saying “gurum prakāshayed dhīmān”, Shri Jayendra Sarasvati Shricharana installed the vighraha of Shri Bhagavatpada in all the Jyotirlinga Kshetras that He had extolled.

Further He installed the divine form of Shri Bhagavatpada, the Jagadguru, in the four extremes of Bharat – Jagannatha, Kanyakumari, Gokarna seashores and Kailasa – facing the respective directions.

As per the wishes of His Guru Shri Chandrashekharendra Sarasvati Shricharana, He consoled the Sanatanis of the Kashmira Desha driven away from there, and took up laukika/vaidika efforts for their welfare.

Even in the North-East end of Bharat, He likewise did pratishtha of Shri Bhaveda-dharma-śāstra-paripālana-sabhā

gavatpada and conducted laukika/vaidika dharma-s so that difficulty should not befall Sanatana Dharma.
