

Shrī Rāma Janma Bhūmi Ayodhyā Mūla Sthāna Prāna Pratishthā

Shobhana year Pausha Shukla Dvādashī (2024 Jan 22) Monday

The Ayodhyā Shrī Rāma temple that crores of Sanātana Vaidika Hindu Dharma abhimānī-s look forward to is currently being constructed. The prāna pratishthā to the divya vigraha of Bhagavān Shrī Rāma in the mūla sthānam here is to take place as a grand celebration on the current Svastishrī Shobhana year Makara month 8th day, Pausha Shukla Dvādashī, Somavāra, Mrigashīrsha nakshatra, Amrita Siddhi Yoga Punya Kāla (2024 Jan 22).

The 68th Jagadguru Shankarāchārya of our Shrī Kānchī Kāmakoti Mūlāmnāya Sarvajna Pītam Shrī Chandrashekharendra Sarasvatī Mahaswami used to always tell children to write Rāma Nāma and encouraged by giving silver coins. On Kalyabda 5091 Shukla year Kataka month Mrigashīrsha (1989 Jul 29), as the very first “shilā pūjana” for the foundation of this temple, He did pūjā unto bricks inscribed with “Shrī Rāma”. He had also offered chatra and chāmara (umbrella and fans) for Bhagavān. Now the prāna pratishthā is also occurring on Mrigashīrsha.

It is known to all that His shishya our 69th Jagadguru Shankarāchārya Shrī Jayendra Sarasvatī Mahaswami took a leading role in speaking to all parties so that everything is achieved amicably and toiled in many ways for Rāma Janma Bhūmi. It is the Will of Bhagavān Shrī Rāma that recently the bhūmi pūjā of this temple also happened to be on His annual jayantī (Kataka month Shravishthā, 2020 Aug 05).

Currently, this mūla sthāna prāna pratishthā is happening with the guidance of His shishya our 70th Jagadguru Shankarāchārya Shrī Shankara Vijayendra Sarasvatī Mahaswami and the efforts and cooperation of many other sādhu-s, dharma sthāpana-s, government officials and devotees.

This most auspicious task which has crossed many hurdles and come this far should be completed without problems. Around the mūla sthānam, the larger temple

campus should develop and be set up well. The innumerable devotees should be able to go to Ayodhyā and happily have darshana of Bhagavān Shrī Rāma in His rājadhānī.

Praying thus, all devotees should daily chant Shrī Shankara Bhagavatpāda's Ganesha Pancharatna, and do japa of “shrīrāma jaya rāma jaya jaya rāma”, the 13-syllable mahāmantra of Bhagavān Shrī Rāma at least 108 times. – This instruction of the Kāmakoti Āchārya had been earlier conveyed to the devotees at large. The same is appropriate to be observed by devotees now in view of the prāna pratishthā mahotsava day.

As much as possible, let us come together in our homes, temples and village/city areas! **Let us light lamps!** The single Supreme Being is denoted by the word “Rāma” in our Sanātana Dharma. **Let us have special pūjā-s etc done to all Its devatā forms!** Let us distribute prasāda, involve common people and encourage them to say Rāma Nāma! Let us pray that our Sanatana Vaidika Hindu **Dharma should evermore flourish with glory!**
